Early Childhood Parenting Made Fun!®

**Paint a brighter future
for you and your family!**

Provides practical techniques that help parents achieve respectful and healthy relationships with their children.

Early Childhood Parenting Made Fun!®

The Love and Logic Process:

Love allows children to grow through their mistakes

Logic allows children to learn from the consequences of their choices.

Love and Logic...

easy to learn, changes lives,
raises responsible kids

A five-week workshop development by
Jim Fay and Dr. Charles Fay of the
Love and Logic Institute to help parents with

“the most important job there is”

Hear what other parents are saying about this class...

“I would recommend this class to friends. I thought it was great and very helpful”

Michelle – Brecksville

“The most helpful parts of the class were the video clips with Jim Fay, the brainstorming with other participants and the following techniques: Uh Oh Song, Choices and Energy Drain”

Meghan – Brecksville

“The personal stories/examples and group conversations were very helpful!! Jim’s video clips always made me laugh, while still learning valuable lessons”

David -- Brecksville

- Are you aware that parental anger and frustration fuels misbehavior in children?
- Would you like to have more fun as a parent?
- Would you like to take better care of yourself and have your children profit from it?

This powerful workshop will

- Help you understand your children
- Teach practical techniques that you can immediately put into practice
- Allow you to meet and network with other parents in your community
- Help you build a happier family.

Who should attend?

Parents and caregivers of children from birth to age six can benefit from taking Early Childhood Parenting Made Fun!®

Answers to: “How do I...:

“Show my tots that whining and arguing do not pay?”

“Smooth out mornings and Bedtimes?”

“Take the battle out of mealtimes,
tooth brushing and bathing?”

“Put an end to misbehavior in public?”

“Calm sibling bickering and battling?”

“Teach respect, responsibility and self-discipline?”
